**Gian Piero Cutillo**

Chief Financial Officer

*6 November 2014*

**GROUP OVERVIEW** *(CEO and General Manager)*

**SECTOR RESULTS AND OUTLOOK** *(CFO)*

**APPENDIX**

## **MAKING PROGRESS**

- Solid commercial performance across the Group
- Nine months results in line with expectations
- Good visibility on Q4
- Raising FY Orders, Revenues and EBITA Guidance

**Taking actions to revitalise and reposition Finmeccanica – much further to go**

## TAKING ACTIONS TO DELIVER CHANGE – POSITIVE DISCONTINUITY

- ⇒ **Organisation:** plan progressing as expected
  - ⇒ “One HQ”, fewer divisional board members and additional reporting disclosure towards a divisionalised model
  
- ⇒ **Cost reduction:** heavy corporate cost reduction already effective
  
- ⇒ **Portfolio rationalisation:**
  - ⇒ Transportation: constructive process progressing with shortlisted potential buyers, intense due diligence still on going
  - ⇒ Agreement reached on busses
  
- ⇒ **Industrial Plan:** 2015-2019 plan complete by yearend and to be shared with market in new year

**GROUP OVERVIEW** *(CEO and General Manager)*

**SECTOR RESULTS AND OUTLOOK** *(CFO)*

**APPENDIX**

## OVERALL ON TRACK: 9M RESULTS

- Solid order intake
- Revenues well on track
- Recovering profitability
  - Successful cost actions on going across the group
- Less “below the line” volatility
- FOCF in line with last year, despite the payment for the Indian helicopter contract (€256mln paid in 2Q2014)
- Raise our guidance on orders, revenues and EBITA for the Group
  - DRS shortfall offset by better performances in Helicopters, Aeronautics, Selex ES, Corporate costs reduction and Transportation

- ✦ **Orders** up 37% in 9M driven by key contracts signed in 1H 2014 with UK MoD. Q3 orders include additional 9 a/c AW139
- ✦ **Q3 Revenues** broadly in line with last year, increasing activities on AW189 offsetting the expected winding down of AW139
  - ✦ 3 AW189 delivered in Q3 (2 in Q2) following recent EASA certification
  - ✦ 700th AW139 delivered in Q3
- ✦ **Q3 EBITA** slightly down due to revenue mix; 9M underlying profitability well above 2013, excluding the effect of the €50mln one-off related to the final closing of US Presidential Helicopter programme (1H2013)
- ✦ **Continue to expect solid FY performance, profitability steadily at double digit**

- ✦ **Orders** up in Q3 driven by civil (mainly B787)
- ✦ **Revenues** up driven by increasing production rates in civil (B787 and ATR) and military a/c
  - ✦ B787: 26 fuselages delivered in Q3 (19 in Q3 2013)
  - ✦ ATR: 22 fuselages delivered in Q3 (16 in Q3 2013)
  - ✦ M346: first 3 a/c delivered to Israeli Air Force
- ✦ 3Q2013 **EBITA** benefitted from the release of provisions from the ATR programme. Q3 2014 underlying performance above Q3 2013, driven by higher volumes on military a/c delivering good profitability
- ✦ **Underlying profitability expected to be on improvement on FY2013, supported by programs performance and new efficiency measures**

- Credit lines worth €2.8 Billion (confirmed and unconfirmed), utilized for €719mil at 30 September 2014
  - The €2.2 Billion Revolving Credit Facility, which refinanced the €2.4billion RCF<sup>(1)</sup>, was signed on 9 July 2014 with a pool of leading Italian and foreign banks and will expire on July 2019
- Bank Bonding lines of roughly €2.3 Billion to support the execution of bidding and orders' activities

(1) Expiring in September 2015

(2) Based on rating as of 30/09/2014

(3) Average. Expected to be renewed at maturity

# SAFE HARBOR STATEMENT

NOTE: Some of the statements included in this document are not historical facts but rather statements of future expectations, also related to future economic and financial performance, to be considered forward-looking statements. These forward-looking statements are based on Company's views and assumptions as of the date of the statements and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements. Given these uncertainties, you should not rely on forward-looking statements.

The following factors could affect our forward-looking statements: the ability to obtain or the timing of obtaining future government awards; the availability of government funding and customer requirements both domestically and internationally; changes in government or customer priorities due to programme reviews or revisions to strategic objectives (including changes in priorities to respond to terrorist threats or to improve homeland security); difficulties in developing and producing operationally advanced technology systems; the competitive environment; economic business and political conditions domestically and internationally; programme performance and the timing of contract payments; the timing and customer acceptance of product deliveries and launches; our ability to achieve or realise savings for our customers or ourselves through our global cost-cutting programme and other financial management programmes; and the outcome of contingencies (including completion of any acquisitions and divestitures, litigation and environmental remediation efforts).

These are only some of the numerous factors that may affect the forward-looking statements contained in this document.

The Company undertakes no obligation to revise or update forward-looking statements as a result of new information since these statements may no longer be accurate or timely.
